Dear Bill Maher,

In your own way you are dedicated to the service of this country, you should know that "Almighty God is The Truth clearly". Quran XXIV: 25.

"Almighty God is Live and Everlasting". Quran II: 55. That is Islam.

Al Haqq (The Truth) means: The Truth, Justice, Rights and Reality in Arabic, Persian, Pushto and Urdu.

Could Faith based on anything but the Ultimate Living Truth be accepted?

To grasp this is to bring light into your life and the life of others.
